What S.H.A.P.E. are you?

God has created you and shaped your life in unique and wonderful ways so that you can experience the joy of helping the Kingdom of God “to come on earth as it is in heaven” (Matthew 6:10). We do different things to make a living, but we all have the same vocation, or calling, which is to use our talents, abilities, interests, personality, and experience to follow Jesus, to strengthen His Body, the Church, and to enlarge God’s Kingdom on earth. When we use our abilities for God’s glory, we come to know God more fully as we obey Him and He accomplishes His work through our lives.

Rick Warren of Saddleback Church in California developed the S.H.A.P.E. acronym several years ago, and it has become widely used to help Christians discover their unique “SHAPE for ministry.” This acronym has been adopted by ACS, the company that makes our church management software, as a template church members can use to let church leaders know how to deploy their skills most effectively.

As you know, we reorganized our church structure last year in order to make it possible for our members to use their abilities in ways that are more tangible, time-limited, and fun! This project-oriented approach is much more flexible and responsive than was our previous committee-focused approach, and it also allows many more opportunities for service to persons who are not yet members of our congregation.

In order for this new approach to work well, though, the leaders of our WORSHIP, MEMBERSHIP, DISCIPLESHIP, MINISTRY, and MISSION TEAMS need to know what “SHAPE” you’re in! Our MINISTRY Team is asking every member and regular attender to complete a Personal Profile, either online at www.fcbristol.org or by completing this form and returning it to the church office.

You certainly don’t have to put down anything you don’t wish to put down, but this information will help us to help you as you seek to become all God made you to be. *Thanks in advance for your help!*

SPIRITUAL GIFTS

On the day of Pentecost, the Holy Spirit was given to all believers (Acts 2:3-4), and the Spirit continues to be given to every person who believes in Jesus (Acts 2:38; Romans 8:9). At the same time, that is, at conversion, God gives at least one spiritual gift to every believer (1 Corinthians 12:7, 11; Ephesians 4:4-7). These gifts can be, and often are, strongly related to our pre-conversion talents and abilities, but they don't have to be. Three good tests for the presence of a spiritual gift are: (1) you will enjoy using this ability; (2) you will be effective in using this ability; and (3) other people will confirm that God is using you in this way.

No believer has every spiritual gift, and no single gift is given to everyone (1 Corinthians 12:27-31). Our different sets of spiritual gifts complement each other to accomplish God's purposes through the church (Romans 12:4-6; 1 Corinthians 3:6-9, 12:4-7).

While knowing your spiritual gifts is helpful, this is not as important as making sure that your life is a blessing to others. Love is the most important factor in spiritual gifts (1 Corinthians 12:31-13:13; Matthew 22:39-40), and the work of the Holy Spirit in our lives turns our-lives-as-a-whole into gifts!

After reading the descriptions of the gifts that follow, please put a mark in the box to the left of those gifts you believe are active in your life. This list is not exhaustive, so please feel free to list others at the end. The following Internet links provide online gift assessments that may be helpful as you consider your gifts, particularly if this is a new concept for you.

HEART

When we speak of someone's passion, of what he or she is really motivated to do, we sometimes say that "she/he has a *heart* for that ministry/age group." Even as we have differing gifts, so we have differing interests and passions as well. Some of us "have a heart" for athletics, some for aesthetics, some for outreach, some for youth, etc. How would you complete the following sentence?

- I love to _____
- I love to _____
- I love to _____

With what age group or type of people do you love to work most?

What church ministries, issues, or possible needs excite or concern you the most?

Is there a ministry or mission that keeps coming to your mind again and again?

A number of possible ministries are listed on the next page. If you have a heart for any of these ministries, please put an "X" in the box beside that ministry.

If you are submitting only pages 5-8, please let us know how you want church leaders to contact you:

PERSONALITY

One common way of describing personality is to plot ourselves on four scales.

Please read the short descriptions that follow and then mark where you see yourself on these scales:

Introverted	1	2	3	4	5	6	7	Extraverted
Controlled	1	2	3	4	5	6	7	Spontaneous
Intuitive	1	2	3	4	5	6	7	Sensing
Thinking	1	2	3	4	5	6	7	Feeling

How we relate to others:

Introverted: Persons who are introverted enjoy being with other people, but they find that being with others drains emotional energy from them, and they have to have a certain amount of solitude to “recharge.”

Extraverted: Persons who are extraverted receive emotional energy from being with other people, and they find that solitude drains energy from them. Extraverts can enjoy solitude, but they have to have time with other people to “recharge.”

How we structure our lives:

Controlled: “Controlled” persons tend to prefer outcomes to processes. They’re interested in structure, in meeting deadlines, in closure, in moving on to the next thing. Controlled persons tend to like checklists and plans.

Spontaneous: “Spontaneous” persons tend to prefer processes to outcomes. They’re more interested in “going with the flow” and “seeing what happens” than in making schedules and meeting deadlines. Spontaneous persons tend to lose their checklists and plans, but this doesn’t bother them!

How we take in information:

Intuitive: Persons whose preference is for intuition often describe themselves as “innovative.” Intuitive persons like metaphor and imagery, and often understand complex ideas rather suddenly, “as a whole,” without knowing exactly how they know. Intuitive persons tend to be more interested in what “might be” than in what “is.”

Sensing: Persons whose preference is for sensing often describe themselves as “practical.” Sensing persons gather information bit by bit, and they focus on facts, data, and experience. Sensing persons tend to be more interested in what “is” than in what “might be.”

How we make decisions:

Thinking: Persons who make decisions based on “thinking” focus more on facts, data, rules, and procedures than on how decisions will affect people.

Feeling: Persons who make decisions based on “feeling” focus more on how a decision will affect other people than on facts, data, rules, and procedures.
